

LACONIST

LACONIST was founded in 2007 by **A. NEIL**, with the aim of honoring influential acts such as **ANGELCORPSE**, **CENTVRIAN** AND **HATE ETERNAL**.

In its early years, the band released two full-length albums, alongside one demo and one EP.

In 2016, **LACONIST** entered a ten-year hiatus that has now come to an end.

The band returns with a renewed lineup where **A. NEIL** remains the only original member. He is joined by **ZÉ MISANTHROPE**, who helps redefine and give new meaning to our legacy within the **BRUTAL DEATH METAL** scene.

To ensure this comeback carries the strength and impact our name deserves, we have enlisted **FELIPE VEIGA** as a session drummer to record all drum parts.

Our new EP titled **WHERE BEING ENDS, I BEGIN** was recorded between October 2025 and April 2026.

It was mixed by **ZÉ MISANTHROPE** and mastered by **CÁSSIO ZAMBOTTO**.

Featuring three brutal and unrelenting tracks, the EP will be available across all digital platforms on July 17th. It also includes a special guest vocal appearance by **KYLE BALL** (**LYSERGIC**, **EX WAKE**, **EX KATAPLEXIS**) on the track **VERMIFORMING**.

We are currently working on our next full-length album and are actively seeking labels interested in its release.

Current lineup:

ZÉ MISANTHROPE — Vocals
